**Your FAFSA, as application for SSACI state aid programs, currently cannot be processed and requires your immediate attention. There are one or more rejection reasons which need to be corrected.**

**Read both sides of this notification to learn how to fix your application.**

The federal processor provides your 2006-07 Free Application for Federal Student Aid (FAFSA) information to SSACI. The FAFSA is an application requirement for the SSACI Frank O'Bannon Grant, Twenty-first Century Scholarship, Indiana National Guard Supplemental Grant, CVO Program, Nursing Scholarship, and the Minority Teacher and Special Education Services Scholarship. Your SSACI grant and scholarship eligibility cannot be determined unless all correctable rejection reasons listed on the other side are corrected by the June 10, 2006 receipt date deadline. Some rejection reasons are uncorrectable (see below).

**Don't Disregard this Notification**

SSACI uses different criteria than the federal government for accepting a FAFSA. Even if your 2006-07 processed FAFSA or Student Aid Report (SAR) indicates everything is "OK" you need to take action in response to any correctable rejection reason SSACI has identified. Failure to correct rejection reasons, whether indicated on this notification or not, by the June 10, 2006 receipt date deadline will result in the loss of eligibility for SSACI aid. Check SSACI's **eStudent** web site at [www.ssaci.in.gov/estudent](http://www.ssaci.in.gov/estudent) for the most current application status.

This is the only notification you will receive via mail regarding rejection of your FAFSA as application for SSACI programs. Be aware that other rejection reasons can be created if you make a mistake when you submit corrections or make other changes to your FAFSA, particularly if you submit revised information without the required signature(s) or PIN(s). To monitor your application through the SSACI correction process go to SSACI's **eStudent** web site at [www.ssaci.IN.gov/estudent](http://www.ssaci.IN.gov/estudent) and login. If there are FAFSA rejection reasons, there will be a link to detailed information on the top of the screen (at the STOP sign). Check eStudent often to determine that all rejection reasons have been corrected and that no new rejection reasons have been created.

**Correction Type/Rejection Reason/Making Corrections**

This notification lists only those rejection reasons which apply to your FAFSA at the time the data was reviewed in early April. Check SSACI's **eStudent** web site at [www.ssaci.in.gov/estudent](http://www.ssaci.in.gov/estudent) for the most current application status. Check eStudent often.

**UNCORRECTABLE Rejects (01, 04, 10).** These rejection reasons cannot be corrected and are provided for information only. No action is required on your part. Your college may still be able to consider you for federal or college-funded programs.

**FEDERAL Correction Rejects (02P, 02S, 03, 05, 06, 08, 11, 12, 13, 14, 17, 20, 25).** These rejection reasons require you to correct your FAFSA information and resubmit it to the federal processor and only the federal processor.

No matter how the FAFSA was originally filed the fastest way to make corrections is on-line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Both you and your parent (if parent information was required on the FAFSA) need a PIN for access to [www.fafsa.ed.gov](http://www.fafsa.ed.gov). If you or your parent do not know the correct PIN go on-line to [www.pin.ed.gov](http://www.pin.ed.gov). Allow at least 14 days to be assigned a new PIN. On-line FAFSA corrections must be **RECEIVED by June 10, 2006**. If you make FAFSA corrections on the paper SAR, follow all instructions, be sure all the necessary signatures are provided, and allow enough mailing time for the SAR to be **RECEIVED** at Federal Student Aid Programs/ PO Box 4694/ Mt. Vernon, IL 62864-0064 by **June 10, 2006**. If you need a paper SAR call the federal processor at 1-800-433-3243. Allow at least 14 days for the SAR to be mailed to you.

Making corrections on-line is faster and results in fewer errors than making corrections via mail. *If time is running out, make your FAFSA corrections on-line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) using your PIN(s)!*

**SSACI Correction Rejects (16, 22, 24).** These rejection reasons require you to submit information to SSACI only. Corrections must be mailed via U.S. Mail to the following address so they are **RECEIVED by June 10, 2006**: SSACI Corrections/ 150 West Market Street, Suite 500/ Indianapolis, IN 46204-2879. Please note that corrections sent to SSACI but intended for the federal processor cannot be processed by SSACI and may result in loss of eligibility for SSACI grants and scholarships.

**FEDERAL-SSACI Correction Reject (20).** This rejection reason requires you to submit corrections to both the federal processor and SSACI. Make sure you submit FAFSA corrections to the federal processor as directed above in the FEDERAL Correction section **and** submit a copy of your social security card and birth certificate to SSACI Corrections/ 150 West Market Street, Suite 500/ Indianapolis, IN 46204-2879. Corrections must be received by the federal processor **and** SSACI by the June 10, 2006 receipt date deadline.
